

MEMBERSHIP APPLICATION

The Otsego Lake Association

Whether you are a first time member or rejoining the Otsego Lake Association, we welcome you to the only all-volunteer organization devoted exclusively to the well-being of Otsego Lake! Although suggested membership contributions are modest, your dollars make a big difference in OLA's ability to go forward with its mission to support the Lake Management Plan for the Otsego Lake Watershed through:

- ~ **EDUCATION** public lake forums, publications, community events, grants
- ~ **PRESERVATION** of shoreline, buffer strips, no-wake zone buoys
- ~ **PROTECTION** against pollution, mud sources, and invasive species
- ~ **ADVOCACY** pro-lake initiatives locally and at the state level
- ~ **SUPPORT** for the Biological Field Station Volunteer Dive Team,
Lake quality monitoring, and Boat Inspection Program

We are proud of the unique historical heritage of "Our Glimmerglass" and are devoted to preserving its waters for future generations. We thank you for your financial support and participation!

Please copy this form, and return it with your tax-deductible donation to: The Otsego Lake Association, PO Box 13, Springfield Center, NY 13468

Name: _____
