“OTSEGO LAKE: PAST, PRESENT, AND FUTURE”

Presented By

Dr. Willard N. Harman, Director of Biological Field Station
(Rufus J. Thayer Chair For Otsego Lake Research and
Distinguished Service Professor of Biology – SUNY/Oneonta)

Dr. Harman is the recognized expert on Otsego Lake and will discuss a wide range of topics including the history of the lake, invasive species other than zebra mussels, current environmental & land planning issues, fish update, BFS research, and address issues of concern or interest to members of the audience (topics you select during the presentation). The lake tour will offer Dr. Harman the opportunity to point out various examples of his presentation.

“UPDATE ON VARIOUS OLA COMMITTEES”

Presented by Members of the OLA Board of Directors

“LAKE CITIZEN AWARD – 2009”

OLA encourages you to attend this meeting to learn more about the history of Otsego Lake, the on-going research by the BFS, and the various issues that are affecting Otsego Lake now and in the future. Enjoy a 2 hour ride around Otsego Lake, have your questions answered and socialize with members of the Otsego Lake community. For more information, please contact OLA President Wayne Bunn by telephone at (518) 542-6630 or by e-mail at otsegolakeassoc@hotmail.com. Let's hope for great weather!!
