

Annual Meeting August 17, 2013

Wayne Bunn receives a framed certificate thanking him for the longest served presidency of the OLA (2008-2013). The certificate also recognized Wayne's development of programs with relevancy to lake residents. Wayne was then presented with a special OLA T-shirt by Scottie and a framed vintage lake postcard by Mickie. The membership expressed their appreciation for Wayne's service with a warm round of applause!
