## *What A Lift!*

Kyla Coburn, daughter of Judith and Kip Coburn of Woodbull Antiques, Milford, was visiting her parents over the Fourth of July Weekend (during Woodbull's annual Antiques Show) and took a hot-air balloon flight over Cooperstown and Otsego Lake. Here, of course, is the Sleeping Lion and Kingfisher Tower. "Some are from the balloon chasers, some from the balloon itself," she writes. Beautiful. Thanks, Kyla.
